

ENGINEERING CHECKLIST

The following is a checklist of required information that all Subdivisions must obtain prior to receiving West Manheim Township Planning Commission's recommendations for approval:

1. _____ York County Planning Commission's Review
2. _____ West Manheim Township Engineer's Review
3. _____ A Hydrogeological Survey, if needed
4. _____ York County's Sedimentation and Erosion Control Plan Approval, if needed
5. _____ Well Certifications, if needed
6. _____ Public Water Supply Certification, if needed
7. _____ Adjacent Municipalities Comments, if needed
8. _____ NPDES Permit, if needed
9. _____ PENNDOT Highway Occupancy Permits, if needed
10. _____ Notarized Plans with Owners and Engineers Signatures and Seals
11. _____ Protective Covenants, i.e. Landowners Association, Deed Restrictions etc.

The following is a checklist of required information prior to the West Manheim Township Board of Supervisors approvals:

1. _____ DEP Module Approval, if needed
2. _____ Form "B" DEP Component, if needed
3. _____ West Manheim Township Planning Commission's Recommendations
4. _____ Recreation Fees, if needed
5. _____ Executed Improvement Bonds, if needed
6. _____ Executed Maintenance Bond, if needed

It is the owner/engineer's responsibility to collect all information that is required by the Pennsylvania Department of Environmental Protection to complete required Modules. The Township will submit the Module to DEP upon the owner/engineer certification that all information has been properly secured and a check to cover costs has been submitted.
